You had no more volunteers, so you got profiteers for to help you out  
Well with friends like that babe, good friends you had to do without,  
And now they ve taken the chains and the gears from off the old  
merry-go-round,  
It never rains around here, it just comes pouring down.

Now your new Romeo, he was just a gigolo, when he let you down,  
See the faster the are babe, the faster they get out of town  
Leaving make up stains and the tears of a clown,  
And it never rains around here, it just come pouring down.

asking after you

In the shadow of the Wheel of Fortune you re busy trying to clear your  
name,  
You say, I may be guilty yeah, that may be true, but I d be lying if I  
said I was to blame

See we could have been major contenders, we never got no money no breaks  
You got a list of all the major offenders, you got a list of all their  
major mistakes.

And he s just a-standing in the shadows and you smile that come-on smile  
Oh and I can still hear you say as clear as the day, I d like to make  
it worth your while.
