

Love Over Gold
Dire Straits

F Bb C
There you walk out on the high wire

Bb F Bb
You're dancer on thin ice

F Bb C
You pay no heed to the danger

Am Dm C F
And less to advice

F Bb C
Your footsteps are forbidden

 Am Bb C F
But with knowledge of your sin

 C Bb F
You throw your love to all the strangers

 Dm
And the caution to the wind

Interlude: **A G G F Eb D Eb D Eb D Eb D C Bb A**

F **Bb** **C**
And you go dancing through the doorways

Bb **C** **F** **Bb**
Just to see what you gonna find there

F **Bb** **C**
Leaving nothing to interfere

Am **Dm** **F** **Dm** **C** **F**
With the crazy balance of your mind

F **Bb** **C**
And when you finally reappear

Am **Bb** **C** **F**
At the place where you came in

F **Bb** **Bb** **F**
You've thrown your love to all the strangers

Dm
And the caution to the wind

Interlude: **A G G F Eb D Eb D Eb D Eb D C Bb A**

It takes love over gold
And mind over matter
To do what you do that you must
When the things that you hold

Can fall and be shattered

C

Dm

Or run through your fingers like dust
