

Love Over Gold  
Dire Straits

**F#** **B** **C#**  
There you walk out on the high wire  
**B** **F#** **B**  
You re dancer on thin ice  
**F#** **B** **C#**  
You pay no heed to the danger  
**Ebm** **Ebm** **C#** **F#**  
And less to advice  
**F#** **B** **C#**  
Your footsteps are forbidden  
**Ebm** **B** **C#** **F#**  
But with knowledge of your sin  
**C#** **B** **F#**  
You throw your love to all the strangers  
**Ebm**  
And the caution to the wind

Interlude: **Bb** **G#** **G#** **F#** **E** **Eb** **E** **Eb** **E** **Eb** **E** **Eb** **C#** **B** **Bb**

**F#** **B** **C#**  
And you go dancing through the doorways  
**B** **C#** **F#** **B**  
Just to see what you gonna find there  
**F#** **B** **C#**  
Leaving nothing to interfere  
**Ebm** **Ebm** **F#** **Ebm** **C#** **F#**  
With the crazy balance of your mind  
**F#** **B** **C#**  
And when you finally reappear  
**Ebm** **B** **C#** **F#**  
At the place where you came in  
**F#** **B** **B** **F#**  
You ve thrown your love to all the strangers  
**Ebm**  
And the caution to the wind

Interlude: **Bb** **G#** **G#** **F#** **E** **Eb** **E** **Eb** **E** **Eb** **E** **Eb** **C#** **B** **Bb**

**C#**  
It takes love over gold  
**F#** **B**  
And mind over matter  
**C#** **B** **Ebm**  
To do what you do that you must  
**C#**  
When the things that you hold  
**E**

Can fall and be shattered

**C#**

**Ebm**

Or run through your fingers like dust
