Intro:  C#  F#  B  C#  F#  B  F#
        C#  F#  B  C#  F#  B  F#
```

```
           C#                               F#
   I seen a girl on a one-way corridor
B               C#              F#  B6  F#
   Stealing down a wrong way street
C#                              F#      B
   For all the world like an urban toreador
              C#          F# B
   She had the wheels on - on her feet
F#       C#                      B
   Well the cars do the usual dances
C#                              F#        B6
   Same old cruise and the kerbside crawl
F#  C#                          F#        B
   But the rollergirl she s taking chances
C#                      F#     B              F#
   They just love to see her take them all
```

```
        G#            F#
     No fears alone at night
             Ebm/B                  F#
     She s sailing through the crowd
        G#                B
     In her ears the phones are so tight
            F#                  G#    C#/G    G#
     And the music s playing loud
```

```
        C#            F#
      Hallelujah
B               C#                  F#    B6  F#
   Here she comes queen rollerball
C#           B
   Enchante what can I say
   C#            F#    B
   I don t care      at all
F#  C#                  F#            B
   You know she used to have to wait around
                     C#        F#    B6  F#
   She used to be the lonely one
   C#                      F#        B
   But now that she can skate around the town
     C#              F#    B          F#
   She s the only one    only one
```

```
           G#                  F#
```

```
         No fears alone at night
            Ebm/B                    F#
         She s sailing through the crowd
      G#                   B
         In her ears the phones are so tight
                   B              C#
         And the music s playing loud

      B       C#      F#sus4 F#     F#sus4
         She get s rock  n roll
      F#    F#              Bbm7   F#/D
         A rock  n roll station
      Ebm                         Ebm/D   F#/B
         And a rock n roll dream
      B                   F#/B
         She s making movies
      G#m               F#/D
         On location
              F#          C#
         She don t know what it means

               F#                                F#/B
         But the music make her wanna be the story
         C#        Ebm
         And the story was whatever was the song what it was
      B            F#/B
         Rollergirl
      G#m
         Don t worry

         D.J. play the movies
      Ebm      Ebm/D  B
         All night long
                   F#
         All night long

      F#  B
   She tortures taxi drivers just for fun
C#                              F#  B6  F#
   She like to read their lips
      C#                 F#  B
   Says:  Toro, toro, taxi - see  ya tomorrow my son
C#                        F#  B6          F#
   She just let a big truck    graze her hip
C#               F#  B
   She got her own world in the city - yeah!
C#                       F#  B6         F#
   you can t intrude on her, no - no, no
C#            F#  B
   She got her own world in the city
C#                     F#  B6         F#
   Cos  the city s bein  so rude to her
