Solid Rock
Dire Straits
  Intro: A
well take a look at that
i made a castle in the sand
Em/B D
saying this is where it s at you know
couldn t understand now
if i realised that the chances were slim
                                             C Em/B
how come i m so surprised when the tide rolled in yeah
               Bm
                   G
       i wanna live on solid rock
                Bm G
       i m gonna live on solid rock
        i wanna give i don t wanna be blocked
       i m gonna live on solid rock
    Α
              Em
well a house of cards
was never built for shock
                        Em
you could blow it down on any kind of weather
                      Em
                   Α
now two solid rocks two solid blocks
you know they re gonna stick
yeah they re gonna stick together
```
