

**Wooden Love**

**Direc-t**

Artist: Direc-t

Song: Wooden Love

**Em**

Wooden love you couldnâ€™t stop  
You didnâ€™t go and you did fade away

**Am**

In a twinkling of an eye

**Em**

You are my my wooden love  
You couldnâ€™t stop

**C B Em**

You didnâ€™t go away  
Iâ€™m begging

**C B Em**

You didnâ€™t go away

**Em**

Well she said no  
Now we can go  
And we can solve only

**Am**

If we close our eyes

**Em**

You are my wooden love  
You couldnâ€™t stop

**C B Em**

You didnâ€™t go away  
Iâ€™m begging

**C B Em**

You didnâ€™t fade away

**G D Em**

Now i watch TV

**G D Em**

To get through the day

**G D Em**

Now i watch TV

And i said

**G D C B5**

What a fucking life

**Em**

Well she said no

Now we can go  
And we can solve only

**Am**

If we close our eyes

**Em**

You are my wooden love  
You couldn't stop

**C B Em**

You didn't go away  
I'm begging

**C B Em**

You didn't fade away
