I've seen things I just can't explain

**G**

I've seen the fire and I've seen the rain

**Am**

I've been places, and asked questions

**G**

But was told that my answers were blown in the wind

**F**

**F - E - D - E**

So now I followed the purple haze

**F - E - D - F**

All the way through the everglades

**F - E - D - B**

I broke on through to the other side just to find myself building

**D**

Castles in the sky

**Am**

And as I rise up I can see reality below me

**G**

Floating on a dream through the house of the holy

**Am**

Hands clinched tight praying death come slowly

**G**

Cause life s too short to give up what youâ€™re holding
