

Knows That I Dirty Heads

- Standard Tuning, no capo. But you could if you wanted to. Why not? And just feel out the strum timing. Enjoy. -

Am C
She knows that I

G F
I m never ever gonna run away

Am C
So close your eyes

G F
Cause words only get in the way

Am
Maybe you wanna love me

Maybe you wanna leave
C
 Maybe you wanna run to him
G
 Or stay here with me

Am
And now you sit and stare with a crooked smile

Sit think in your own denial

Admit when we touched our lips

It hit both you and I
C
 A heart with a different name
 Ashamed that you felt the same
G
 Deal with the pain and still remain
 Or hope for a change

She s like a welcome summer rain, comes with perfect timing

G
She said love needs pressure, pressure turns to diamonds

F Like a welcome summer rain, **C** comes with perfect timing

G
Love needs pressure

Well pressure makes diamonds

Am C
She knows that I
G F
I m never ever gonna run away
Am C
She knows that I
G F
I m crazy but I m not insane
Am C
She knows that I
G F
Mean every word that I say
Am C
So close your eyes
G F
Cause words only get in the way

- etc.. -
