Intro: E G#m? A B x2

E

The fights they never end

G#m?

Like the nights

A B

They've taking me over

Е

And yeah, i get the fear

G#m?

А В

But i cannot be bothered

n 2

all this waiting is just hesitating for nothing

7#m

and the faultlines and all the conjecture from both sides

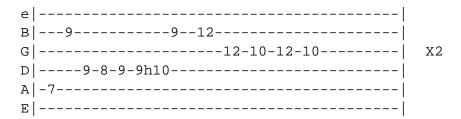

A G#m

why oh why can't we change things

Α

this is destroying me inside

A G#m F#m E(actually, this E is the beggining of the solo) (You know you wanna run away)

Е

We shared our dreams and nearly everything

G#m? A F

in between i'll never forget, though

```
long lost stays in a haze
      G#m?
where we lost ourselves with no apology
all this waiting is just hesitating for nothing
and the faultlines all on the wrong side of daylight
why oh why can't we change things
this is destroying us inside
         G#m
              F#m C#m
(You know you wanna jump in…
C#m
To the pit back to life so sordid
We fell down dead but nobody saw it
I've got twenty faces and i'm talking in tongues
G#m
I feel like the devil, what does the devil do?
         G#m
              F#m E
(You know you wanna run away)

G#m
And these faultlines and all the conjecture from both sides
                         G#m
It slights on the deck and it s all fine
we could hold on for a lifetime
          G#m F#m E
(You know you wanna run away...)
