

**Holly Golightly**  
**Dirty Pretty Things**

**D**  
If you were my mirror  
I m Narcissus

**D**  
If you were my mirror  
I m a narcissist

**A**  
So go lightly now holly

**D**  
And give us a kiss

If you swear on your left hand  
That you ll be mine  
If you swear on your left hand  
You re forever mine

Well I know with the right hand  
You ll be giving the sign

**G**  
I ll run around you

**D**  
Make sure you re fine

**A**  
Oh you re so dry holly baby

**D**  
But you are mine

Give us a line  
Oh yeah

If you were my mirror  
And you did just fine  
Now I ve lost my mirror  
There ll be no more lines

I smashed it to pieces  
But my other ones are fine  
Doodadadoo
