

Dance For You
Dirty Projectors

I didn't have the patience to tab the bridge,
but the verse and chorus are pretty straightforward.
Longstreth usually just plays the higher notes in each chord.

Capo on the 2nd Fret

VERSE

A **D** **Bm** **Bm2**
I ran across cyanide plains
D **Bm2** **Esus4** **E**
Mind like a prison cell
D/A **E/B**
But feet untethered and sane

A **D** **Bm** **B7**
I wondered out, homeless and sad
D **Bm2** **Esus4** **E**
No thought of where I go
D/A **B/E**
Or how I ever get back

CHORUS

E/B **Bm**
There is an answer
E/B **Bm**
I haven't found it
E/B **D/A** **A**
But I will keep dancing till I do
D **A**
ohh, ohh, ohh

I boogied down gargoyle streets
Searching in every face,
For something I could believe
I never knew what Congress is
I wanna feel the breath of a force I cannot explain
