D G D

And life is pointless, harsh, and long.

In my heart, there is music
In my mind is a song
But in my eyes, a world
Crooked, fucked up and wrong

G D Sing all day Record and play

G $\ \ D$ $\ \ F\#m7$ $\ \ F\#m$ Drums and bass, and a guitar

Will there be peace in the world, Or will vile winds always own the truth?

There s a bird singing at my window And it s singing an irresponsible tune An irresponsible tune
