G G+4  
I have been out of my head  
Gm7  
Hanging on by a thread  
Gm7  
To a world I m missing

G G+4  
And I , fall asleep at the wheel  
Gm7  
Getting looks that could kill  
Gm7  
Because I m not listening

G G+4  
There must be a better way  
Gm7  
There must be a way to change  
G G+4  
Both of us are scared to say  
Gm7  
So this is all or nothing

G G+4  
Never know what the future may bring  
G+4 Gm7  
Leave the past cause it don t mean a thing  
Gm7  
So this is all or nothing. ( rpt )
