Disciple - Thing Left Unsaid

By Kn0rKat0X

(Verse 1)

**Cm** **Bb**  
It's just a matter of time a few days ago,

I saw you, you were fine  
**G#**

Remembering what you said

About the book you read

**Bb**  
The one I got you The Beginning of the End

(Verse 2)

**Cm**  
Oh how we talked, for hours upon end

**Bb**  
What I would give just to do it again

**G#**  
Your lying there in this hospital bed

**Bb**  
Won't you open your eyes

**Cm**  
And let's talk once again.

(Chorus)

**Bb**  
If you fly away tonight,  
**G#**  
I wanna tell you that I love you.

**Fm**  
I hope that you can hear me,

**G** **Cm**  
I hope that you can feel me.

**Bb**  
If you fly away tonight,  
**G#**  
I wanna tell you that I'm sorry,

**Fm**  
That I never told you  
**G** **Cm**  
When we were face to face.

(Verse 3)

**Cm**

Well I've been here all night

**Bb**

And I'm watching you

Breathe in and breathe out

**G#**

Is it really you or just a machine

**Bb**

That's giving you life and

**Cm**

Making it seem that there could be hope

I could say it to your face

**Bb**

If it weren't for you that

There would be no grace

**G#**

That's covered my life.

**Bb**

You took the time to speak into my mind

**Cm**

And my heart Words of Life

(Chorus)

**Bb**

If you fly away tonight,

**G#**

I wanna tell you that I love you.

**Fm**

I hope that you can hear me,

**G**

**Cm**

I hope that you can feel me.

**Bb**

If you fly away tonight,

**G#**

I wanna tell you that I'm sorry,

**Fm**

That I never told you

**G**

**D#**

When we were face to face.

**Bb**

So goodbye for now and I'll see you again some way, somehow

**D#**

When it's my turn to go to the other side

**G**

I'll hold you again and melt at your smile

**D#**

Now all I have are the ones that I'm with

**Bb**

And you taught me not to take for granted

**D#**

The time that we have to show that we care

**D**

**D#**

Speak into their minds and their hearts while their here and say I love you

(Chorus)

**Cm**

**Bb**

If you fly away tonight,

**G#**

I wanna tell you that I love you.

**Fm**

I hope that you can hear me,

**G**

**Cm**

I hope that you can feel me.

**Bb**

If you fly away tonight,

**G#**

I wanna tell you that Im sorry,

**Fm**

That I never told you

**G**

**Cm**

When we were face to face.
