

**Find Your Way Back Home**  
**Dishwalla**

**D9**

There used to be a time

**Bm**

When you re the only one that you could see

**G**

You built a wall to keep you free

**Em**

You saw it all so perfectly

**D9**

You divided everything

**Bm**

You had into a thousand parts with names

**G**

It made it easier to place the blame

**Em**

But it never really was the same

**D5**

But you forgot the reason why

**B5**

You had to be alone to breathe

**G5**

Something from your history

**E5**

Or have you lost your memory?

**D5**

But now it seems your baggage

**B5**

Is the only thing than you can bring

**G5**

You had a lie for everything

**E5**

And now your world is crumbling

[chorus]

**D5 B5**

(ah ooh)

**G5**

So now you find you re on your own

**E5**

You find you re on your own

**D5 B5**

(ah ooh)

**G5**

Trying to find your way back home

**E5**

Trying to find your way back

**D5**

You used to talk to god

**B5**

But you gave up cause you couldn t see

**G5**

Couldn t get from a to b

**E5**

But were you ever really listening

**D5**

Enough s enough you know

**B5**

But then you never really had enough

**G5**

Something more to fill you up

**E5**

Maybe just a smaller cup

[chorus]

**D5 B5**

(ah ooh)

**G5**

So now you find you re on your own

**E5**

You find you re on your own

**D5 B5**

(ah ooh)

**G5**

Trying to find your way back home

**E5**

Trying to find your way back home

[solo] **D5 B5 G5 E5 D5**

You used to think that you would never be alone

But you re losing control

You find it hard to see at all

To find your way back

[chorus]

**D5 B5**

(ah ooh)

**G5**

So now you find you re on your own

**E5**

You find you re on your own

**D5 B5**

(ah ooh)

**G5**

Trying to find your way back home

**E5**

Trying to find your way back home

**D5**

There used to be a time when you divided

**B5**

Everything you had

**G5**

You had a lie for everything

**E5**

But were you ever really listening?

**D5**

You used to talk to god, but you gave up

**B5**

**G5**

But then you really never had enough

**E5**

Or have you lost your memory? memory!

**D5**

**B5**

**G5**

But now you find you re on your own

**E5**

**E5**

To find your way back home
