Dishwalla  
Tabbed by: Leah Comia

Intro: **G C** 2x

**G**  
I m so sick and tired  
**C**  
Of all these things  
**G**  
That drags me down  
**C**  
I ve got no where to go  
**G**  
They say that life  
**C**  
Is in these hands  
**G**  
You give everything  
**C** **Am7**  
You give yourself away you give  
**Am**  
And still you choke  
**C**  
And find yourself, you re running for the door

Chorus:  
**C**  
Come and take me  
**G**  
Home  
**C** **G**  
Lead me to your door  
**C** **G**  
Take me where you are  
**C** **Am**  
Lead me to your door  
**G C** 2x  
At least just for a while

**G**  
It s some kind of life  
**C**  
Forever days  
**G**

We re in the cold

**C**

Unfamiliar way

**G**

So take this fear

**C**

And fade it out

**G**

It won t make me sad

**C**

Cause I get sentimental lord

**Am**

In other ways

**C**

And I don t want to let me down here anymore

**G**

So come and take me home

**C**

**G**

Lead me to your door

**C**

**G**

Take me where you are

**C**

**Am**

Lead me to your door

**G**

And let me in

**C**

Just let me in

**G**

And let me leave

**C**

Just let me leave this world

**Am**

Come on now let me leave this world

**G C....**

At least just for a while

(Repeat Chorus)
