

**I See The Light - Tangled  
Disney**

**C**  
All those days  
**G** **C**  
Watching from the windows  
**C**  
All those years  
**G** **C**  
Outside looking in  
**F**  
All that time  
**C** **G**  
Never even knowing  
**C** **Am** **G**  
Just how blind I ve been

**C**  
Now I m here  
**G** **C**  
Blinking in the starlight  
**C**  
Now I m here  
**G** **C**  
Suddenly I see  
**F**  
Standing here  
**Em**  
It s oh, so clear  
**Dm** **G**  
I m where I m meant to be

**F** **C**  
And at last, I see the light  
**G** **C**  
And it s like the fog has lifted  
**F** **C**  
And at last, I see the light  
**Em** **Am**  
And it s like the sky is new  
**F** **C**  
And it s warm and real and bright  
**Em** **F**  
And the world has somehow shifted  
**C**  
All at once  
**G** **C**  
Everything looks different  
**F** **G** **C**

Now that I see you

All those days

Chasing down a daydream

All those years

**Bb Eb**

Living in a blur

**Ab**

All that time

**Eb Bb**

Never truly seeing

Things the way they were

**Eb**

Now she s here

**Bb Eb**

Shining in the starlight

**Eb**

Now she s here

**Bb Eb**

Suddenly I know

**Ab**

If she s here

**Gm**

It s crystal clear

**Fm**

**Bb**

I m where I m meant to go

**Ab**

**Eb**

And at last, I see the light

**Bb**

**Eb**

And it s like the fog has lifted

**Ab**

**Eb**

And at last, I see the light

**Gm**

**Cm**

And it s like the sky is new

**Ab**

**Eb**

And it s warm and real and bright

**Bb**

And the world has somehow shifted

All at once

**Bb Eb**

Everything is different

**Ab Bb Eb**

Now that I see you
