[Verse]

```

Bb                      F
There was decorated general with a heart of gold
Cm                      Gm
That likened him to all the stories he told
Eb                      Bb
Of past battles won and lost and legends of old
F
A seasoned veteran in his own time
Bb                      F
On the battlefield he gained respect for fame
Cm                      Gm
With many medals of bravery and stripes to his name
Eb                      Bb
He grew a beard as soon as a he could to cover the scars on his face
F
And always urged his men on
Bb                      F
But on the eve of great battle with the infantry in dream
Cm                      Gm
The old general tossed in his sleep a lesson with its meaning
Eb                      Bb
He awoke from the night to tell what he had seen
F
And walked slowly out his tent
Bb                      F

```

All the men held tall with their chests in the air

[Verse]

But the men stood fast with their guns on their shoulders
Not knowing what to do with contradicting orders
The general said he would do his own duty but extended it no further
The men could go as they pleased
But not a man moved their eyes gazed straight ahead
Till one by one they stepped back and not a word was said
The old general was left with his own words echoing in his head
He then prepared to fight

[Chorus]

Bb **F** **Cm** **Gm** **Eb**
I have seen the others and i have discovered

Bb **F**
That this fight is not worth fighting

Bb **F** **Cm** **Gm** **Eb**

And i ve seen their mothers and i will no other

Bb F

To follow me where i m going, so...
