Tuning: Standard

Bm
I really should be going now

F#
Because if I stay

G **D - F#**
There s only so much left of the day

Bm
And if you ever want to reach back

F#
Would you be so kind

G **D - F#**
To let the sunlight play with your mind

Bm
And if you ever want to walk out

F#
Would you be set free

G **D - F#**
Because there are so many places to see

Bm **F#**
And I could be the wild child you could be the sky

G **D - F#**
And we can go about gathering time

Yeah

D **Bm**
So I ll stay awake if you keep on laughing

D **Bm**
But it s all we can do for the world in passing

G **D - A**
and it s all that we have, all that we need to find

Bm
I really should be going now

Before it gets too late
