[Verse 1]

Am	G	C	
The image in your eyes			
	F	E	
Reflecting the pain that has taken you			
Am	G	C	F
I hear it in your voice, so ridden with shame			
	E		
From what s hailing you			

[Pre-Chorus]

F	G	Am	
I won t give up so don t give in			
	Am	G	F
You ve fallen down but you can rise again			
	F		
So don t give up			

[Chorus]

	Am	G	D
When the demon that s inside you is ready to begin			
	Am	G	D
And it feels like it s a battle that you will never win			
	Am	G	D
When you re aching for the fire and begging for your sin			
	F		E
When there s nothing left inside, there s still a reason to fight			

[Verse 2]

Am	G	C	
Lost in your world of lies			
	F	E	
I find it so hard to believe in you			
Am	G	C	

Can it be real this time?

Or just a part of this game that we re playing through

[Pre-Chorus]

I won t give up so don t give in
You ve fallen down but you can rise again
So don t give up

[Chorus]

When the demon that s inside you is ready to begin
And it feels like it s a battle that you will never win
When you re aching for the fire and begging for your sin
When there s nothing left inside, there s still a reason to fight

[Bridge]

Don t let it take your soul
Look at me take control
When knowing to fight this war
This is nothing worth dying for

[Pre-Chorus]

Are you ready to begin?
This is a battle that we are gonna win

[Chorus]

When you re aching for the fire and begging for your sin
When there s nothing left inside, there s still a reason
When the demon that s inside you is ready to begin
And it feels like it s a battle that you will never win

When you're aching for the fire and begging for your sin

Am G D
F E

When there's nothing left inside, there's still a reason to fight

I'll be your reason to fight

Give you a reason to fight
