

Sons Of Plunder  
Disturbed

---I know it s not that right, bus as the original tabs sound horrible on an acoustic guitar, I figured it out by myself and it sounds quite good to me---

**Am**      **Cmaj7**      **Gsus2**      **F**      **G6**  
Tell me you like it  
**Am**      **Cmaj7**      **Gsus2**      **F**      **G6**  
Tell me you like it

**Am**                      **Cmaj7**  
You say you found yourself a new sound  
**Gsus2**                      **F**              **G6**  
The shifts loaded and ready to go  
**Am**                      **Cmaj7**  
A bit too much just like the old sound  
**Gsus2**                      **F**                      **G6**  
Already heard it for the hundredth time  
**Am**    **Cmaj7**  
One hundred more, all have the same sound  
**Gsus2**    **F**                      **G6**  
Running around with all the sheep that you know  
**Am**                      **Cmaj7**  
It s so sublime, they re breaking new ground  
**Gsus2**    **F**                      **G6**  
They re sure to have another hit this time

**Am**  
Come on  
    **Cmaj7**  
Can t you just leave it alone  
    **Gsus2**  
It doesn t have any soul  
    **F**  
Just find a thing of your own  
                    **G6**                      **Am**  
And stop pretending to know  
    **Cmaj7**    **Gsus2**  
As the countless numbers hunger for world wide renown  
    **F**                      **G6**                      **Am**  
All the pimping sons of plunder will roll up their sleeves  
    **Cmaj7**    **Gsus2**  
All searching for the answers they don t even care to know  
**F**  
Give it to me  
                    **G6**  
Give it to me  
                    **Am**  
You like it?

It just follows the whole song with those five chords.

Chords are played like this:

**Am Cmaj7 Gsus2 F G6**
