LYRICS:

VERSE:

i ve been waiting my whole life for just one
 and all i needed was just one
 how can you say that you don t give a
 i find myself stupified, coming back again
 all i wanted was just one
 one tiny little innocent
 and when i feel like i m shit out of
 i find myself stupified, coming back again

why, do you like playing around with
 my narrow scope of reality
 i can feel it all start slippin
 i think i m breaking down
 why do you like playing around with
 my narrow scope of reality
 i can feel it all start slippin away

CHORUS:

see but i don t get it
 don t you think maybe we can put it on credit?
 don t you think it can take control when i don t
 let it?
 i get stupified
 it s all the same you say, live with it
 but i don t get it
 don t you think maybe we can put it on credit?
 don t you think it can take control when i don t
 let it?
 i get stupified

VERSE 2:

all the people in the left wing
and all the people in the right wing
and all the people in the underground
i find myself stupified, coming back again
all the people in the high rise
and all the people in the projects
and all la hente in the barrio (rock)
i find myself stupified, coming back again

INTERLUDE:

don t deny me
oh baby now, don t deny me
and darling don t be afraid

look in my face stare in my soul, i begin to
stupify
