

Alright  
Dive Bella Dive

**G** **C**  
Well, I m sitting in this hotel

**Em**  
Looking at all the city lights, shining bright

**D**  
As I wait for the news

**G** **C**  
Well, the outcome is hard to tell

**Em**  
As I sit upon this worn out bed,

**D** **C**  
All the fibres and threads coming loose

**Am** **C**  
And I don t know if it s rain or snow,

**G** **D** **Em**  
But either of both would be fine

**Am**  
There s something about sitting here,

**C** **G**  
That makes me think we ll be alright

**G D Em** **C G D**  
Alright, I know we ll be alright

**G D Em**  
I know that we can make this alright

**C G D**  
I know we ll be alright

**G**  
We ll make it alright

**G** **C**

I can hear the windows talk,

**Em**

Can feel the floorboards getting cold

**D**

And the chains on the doors getting loose

**G**

**C**

It s like, the sound of freedom is here

**Em**

And it s getting way too loud for

**D**

**C**

This little room they put me in

**G D Em**

**C G D**

Alright, I know we ll be alright

**G D Em**

I know that we can make this alright

**C G D**

I know we ll be alright

**C**

**D**

And I ll write my name on these pictured walls

**Bm**

**Em**

And leave footprints here on this dusty floor

**C**

**D**

**G**

But I won t, I won t give in

**C**

**D**

And I ll paint a picture of us together

**Bm**

**Em**

And live life here, cos I won t know better

**C**

**D**

In silence till you say

**G D Em**

**C G D**

Alright, I know we ll be alright

**G D Em**

I know that we can make this alright

C G D
