[Verse 1]:

F Am G F Am G
Erase, erase, I try my best, but I cannot forget your face, Iâ€™m afraid
F Am G
Itâ€™s found its place inside my mind, now I canâ€™t hide the way Iâ€™m feeling

Every time I try, I end up saying (Please donâ€™t come back)

[Chorus 1]:

F C Am G
I donâ€™t wanna be somebody falling into relapse
F C Am G
Every time I see that smile again, I just think of when..
F C Am G
You said â€œI love you, but I donâ€™t think I can be the oneâ€•
F C Am Am G
And, the truth is, we couldâ€™ve been happy, but you would not believe in me

[Verse 2]:

F Am
Now it just repeats, repeats
G F Am
I can barely breathe, cause regret keeps choking me
G F
Did you forget that we said â€œIâ€™m never gonna leave you,
Am G
Always gonna keep you right here next to me?â€•
F Am G F
So why am I the only one; the lonely part of â€œwe?â€•
Please donâ€™t come back

[Chorus 1]:

F C Am G
I donâ€™t wanna be somebody falling into relapse
F C Am G

Every time I see that smile again, I just think of when..

You said "I love you, but I don't think I can be the one."
F C Am Am G
And, the truth is, we could've been happy, but you would not believe in me

[Bridge]:

Dm F
You've got me thinking closure isn't what I need
Am G
When I'm half of what I should be. Have we lost it completely?
Dm Am
And, no, I can't pretend I'm fine with the life you left behind
F G
Or keep on hoping that you change your mind

[Chorus 1]:

F C Am G
I don't wanna be somebody falling into relapse
F C Am G
Every time I see that smile again, I just think of when..
F C Am G
You said "I love you, but I don't think I can be the one."
F C Am Am G
And, the truth is, we could've been happy, but you would not believe in me

[Chorus 2]:

F
(Why can't you see?)
C Am G
I don't wanna be somebody falling into relapse
F C
Every time I see that smile again (Smile again)
Am G F
I just think of when (Please don't come back)
C Am G
I don't wanna be somebody falling into relapse
F C
Every time I see that smile again (Smile again)
Am G
