

I Believe In Love
Dixie Chicks

Eb
I made a promise to myself
F7 Bb
Locked it way deep down inside
Eb
Told my heart we d wait it out
F7 Bb
Swore we d never compromise
Eb
Oh I d rather be alone
F7 Bb
Like I am tonight
Eb
Than settle for the kind of love
F7 Bb
That fades before the morning light

Eb
Silence staring me in the face
F7 Bb
And I finally heard its voice
Eb
It seemed to softly say
F7 Bb
That in love you have a choice
Eb
Today I got the answer
F7 Bb
And there s a world of truth behind it
Eb
Love is out there waiting somewhere
F7 Bb
You just have to go and find it
