

I Believe In Love
Dixie Chicks

E
I made a promise to myself
F#7 **B**
Locked it way deep down inside
E
Told my heart we d wait it out
F#7 **B**
Swore we d never compromise
E
Oh I d rather be alone
F#7 **B**
Like I am tonight
E
Than settle for the kind of love
F#7 **B**
That fades before the morning light
E
Silence staring me in the face
F#7 **B**
And I finally heard its voice
E
It seemed to softly say
F#7 **B**
That in love you have a choice
E
Today I got the answer
F#7 **B**
And there s a world of truth behind it
E
Love is out there waiting somewhere
F#7 **B**
You just have to go and find it
