

I Believe In Love
Dixie Chicks

G
I made a promise to myself
A7 D
Locked it way deep down inside
G
Told my heart we d wait it out
A7 D
Swore we d never compromise
G
Oh I d rather be alone
A7 D
Like I am tonight
G
Than settle for the kind of love
A7 D
That fades before the morning light
G
Silence staring me in the face
A7 D
And I finally heard its voice
G
It seemed to softly say
A7 D
That in love you have a choice
G
Today I got the answer
A7 D
And there s a world of truth behind it
G
Love is out there waiting somewhere
A7 D
You just have to go and find it
