

**I Can Love You Better**  
**Dixie Chicks**

Artist: Dixie Chicks

Song: I Can Love You Better

[Verse]

**C#m** **E**  
Doodum doooh ooh oh  
**C#m** **D D**  
Hey hey hey ooh  
**E** **D** **A**  
She s got you wrapped up in her satin and lace  
**E** **D** **A**  
Tied around her little finger  
**E** **D** **A**  
She s got you thinking you never can escape  
**E** **D** **A**  
Don t you know your heart s in danger  
**B** **C#m**  
There s a devil in that angel face  
**A** **D** **A(1 strum)**  
If you could only see the love that you re wasting

[Chorus]

**E** **D** **A**  
I can love you better that that  
**E** **D** **A**  
I know how to make you forget her  
**E** **D** **A**  
All I m askin is for one little chance  
**E** **D** **A** **E-----D A (1 strum d,a)**  
Baby I can love you, Baby I can love you better

[Verse]

**E** **D** **A**  
I m gonna break the spell she s got on you  
**E** **D** **A**  
You re gonna wake up to find  
**E** **D** **A**  
I m your desire my inten-tions are true  
**E** **D** **A**  
Hey babe, I know in time  
**B** **C#m**  
You re gonna see what you mean to me  
**A** **D** **A (1 strum)**  
So open up your eyes cause seeing is believing

[Chorus]

**E** **D** **A**

I can love you better than that  
**E**                    **D**                    **A**  
I know how to make you forget her  
**E**                    **D**                    **A**  
All I m askin is for one little chance  
**E**                    **D**                    **A**                                    **E**  
Baby I can love you, Baby I can love you better

[Bridge]  
**C#m**                    **A**    **E**  
Woooo oooh oooh oh  
**C#m** **E**    **A**    **D**    **B**  
Hey hey hey oooh

[Chorus]  
**E**                    **D**                    **A**                    **A**  
I can love you better than that  
**E**                    **D**                    **A**  
I know how to make you forget her  
**E**                    **D**                    **A**  
All I m askin is for one little chance  
**E**                    **D**                    **A**  
Baby I can love you, Baby I can love you  
**E**                    **D**                    **A**  
I can love you better than that  
**E**                    **D**                    **A**                                    **E**  
I know how to make you forget her  
**E**                    **D**                    **A**  
All I m askin is for one little chance  
**E**                    **D**                    **A**  
Baby I can love you, Baby I can love you  
**E**                    **D**                    **A**                                    **E**  
I can love you better than that  
**E**                    **D**                    **A**                                    **E**  
I can love you better  
**E**                    **D**                    **A**  
I can love you better than that  
**E**                    **D**                    **A**                                    **E**  
Baby I can love you, Baby I can love you better
