```

```
        A                           E
I can tell thereâ€™s something you donâ€™t wanna tell me
        A                                   B7        B Bb A
Itâ€™s killing you cause words are hard to find
(A)                               E
I know you want to break it to me gently
          F#                      B7        C7 B7
Well sweet baby say whatâ€™s on your mind
```

CHORUS:
```
            E           E
Letâ€™er rip,   let it fly

Come on baby say it do you think Iâ€™m gonna cry
      A                         E
ainâ€™t about to bawl  I ainâ€™t gonna die
          B7                    A
so if youâ€™re gonna say goodbye don t take all damn night
            E           E
letâ€™er rip, let it fly
```

```
A                                             E
Why the drama we donâ€™t have to drag out the situation
          A                                         B7
It wasnâ€™t you, it wasnâ€™t me, sometimes the chemistry donâ€™t ignite
      A                                             E
There ainâ€™t no rings, no mortgage there ain t any complications
      F#                                  B7
Just a hyphenated word get it out Iâ€™m sure Iâ€™ll be alright
```

Chorus:

(bass and drums only)

```
It ainâ€™t no big deal, it ainâ€™t no great loss
You and I are on the same train of thought
You don t have to tell me where to get off
```

Maybe I misunderstood you if you leave me baby would ya

CHORUS:
```
            E               E
Letâ€™er rip,    let it fly
```

```
Come on baby say it do you think Iâ€™m gonna cry
      A                           E
ainâ€™t about to bawl  I ainâ€™t gonna die
            B7                    A
so if youâ€™re gonna say goodbye don t take all damn night
            E           E
letâ€™er rip, let it fly
            B7                    A
so if youâ€™re gonna say goodbye don t take all damn night
            E           E
letâ€™er rip, let it fly
```
