**G#/A**

It would take an acrobat, and I already tried all that

**Eb G# Eb**

I m gonna let him fly

**Eb**

Things can move at such a pace

The second hand just waved goodbye

**G#**

You know the light has left his face

But you can t recall just where or why

**Bbsus Bb**

So there was really nothing to it

**G#**

**Bb**

I just went and cut right through it

**Eb G# Eb**

I said I m gonna let him fly yeah

**G#**

**Bb**

There s no mercy in a live wire

**Cm**

No rest at all in freedom

**G#**

**Fm**

**Cm**

The choices we are given it s no choice at all

**G#**

**Bb**

The proof is in the fire

**Eb**

**Cm**

**Gm**

You touch before it moves away

**Fm**

**Bb**

**Bbsus Bb**

But you must always know how long to stay and when to go

**Eb**

And there ain t no talkin to this man

He s been tryin to tell me so

It took awhile to understand the beauty of just lettin go  
Cause it would take an acrobat, I already tried all that

[Outro]

I m gonna let him fly  
I m gonna let him fly fly  
I m gonna let him fly
