

**Top Of The World**  
**Dixie Chicks**

Here are the guitar chords for Top of the World.

The other tab is totally correct but if you re a guy you ll find this song pretty high to sing.

With the chords like this there is a lot more room to shift the capo down. I like playing it with the capo on 3 or 5, but the original song is capo 7.

[ Tab from: <http://www.guitaretab.com/d/dixie-chicks/130004.html> ]

Tuning: Standard - Capo 7

I wished I was smarter, I wished I was stronger.  
I wished I love Jesus, the way my wife does.  
I wished it had been easier, instead of any longer.  
I wished I could have stood  
Where you would have been proud,  
That won t happen now  
That won t happen now.

Chorus:

There s a whole lot of singing that s never gonna be heard,  
Disappearing everyday without so much as a word somehow.  
Think I broke the wings off that little song bird,  
She s never gonna fly to the top of the world right now.  
Top of the world.  
I don t have to answer any of these questions.  
Don t have no God to teach me no lessons.

I come home in the evening, sit in my chair.
