Dixie Chicks Without You Written by Natalie Maines
Eric Silver

[Verse 1]

D **A Asus A**
I've sure enjoyed the rain
D
But I'm looking forward to the sun
A Asus A
You have to feel the pain
D
When you lose the love you gave someone

[Pre-Chorus]

Bm
I thought by now the time
D G
Would take away these lonely tears
D A
I hope you're doing fine all alone
D
But where do I go from here

[Chorus]

A D
Cause without you I'm not okay
A
And without you
D
I've lost my way
Bm
My heart's stuck
D G
In second place ooh
A D
Without you
