Down at Papa Joe s

C
Papa Joe s got a swinging band
D7
You can rock and roll to Dixieland
G7
The customers know it s the place to go
C
Down at Papa Joe s

C
A little waitress comes to set you down
D7
She s got the best frog legs in town
G7
There s a welcome sign hanging on the door
C
So don t you be afraid to ask for more
C
Now the only time Joe closes at night
D7
Is when the police comes and turns out the light
G7
They get a little mad but they don t fight
C
Down at Papa Joe s

It s thicker than fleas on a monkey s back
