All The Question Marks Are Gone
DIY

This is my first upload. I m pretty sure I got it close.

C# G#m

     C#
If i told you that I loved you,
       G#m
would I be saying something you don t know?

       C#
And if I showed you just how lovely you are
        G#m
would you believe me?

         C#
Well, I hope you would.
        G#m
Well, I hope you would.

          F#
 Cause I ve got hopes and dreams, and big machines
    C#
and days so bright they ll make you sing;
     G#m
They ll make you sing along

         F#
And when we re standing there, the two of us,
    B   **C#**
we ll see the question marks are all gone.

     C#
Like a bandit in a small town
    C#4
who decides to use a small toy gun

     G#m
He isn t ready to move with violence
    C#   **G#m**
he just finds himself when he finds himself on the run.

        B
 Cause he s got hopes and dreams, and big machines
and days so bright they ll make you sing;
    C#
They ll make you sing along.

```
             B
When we re standing there the two of us
      F#                              C#
we ll see the question marks are all gone.

              B      F#
They re all gone.
            C#
They re all gone.

I found the song as the backtrack to a youtube video. So far it hasn t gotten
big
enough for me to find any other chords, tabs or lyrics to it. I also can t find
it
as a standalone video on youtube. Good luck.
