Stay With Me (Acoustic)
Standard Tuning - Capo 3

Don't normally listen to this sort of music but heard it on Radio 1's Live Lounge and to the bloke, it's quite good. (unlike this tab ^^)
As there's not a tab here so far, I thought I'd get us started.

Intro: **C G F C**

CHORUS.

C G F C
Stay with me don't fall asleep too soon,
C? G F F
The angels can wait for a moment (They can wait for a moment)
C G F C
Stay with me don't fall asleep too soon,
C? G F F
The angels can wait for a moment

VERSE 1.

C
Don't cry for me when I'm gone
G
No point of wasted tears,
F
Our time will come one day and
C
I'm just confronting my fears

C
Though it's not really a fear
G
It's more like a destiny/
F
Sometimes I sit and wonder -
C
Is this life really for me? Cos

C
I've seen, seen, heard,
G
Felt I'm done. I hope you're proud of
F
Where I've come, you've seen me

C

Grow and helped me through, And there is no repayin you,

[***got brain ache and have to go to work now, bye ^^***]

I m here and I feel like I m
Delayin you, betrayin you,
And when I m gone I hope there s
Someone savin you.

CHORUS.

C G F C
Stay with me don t fall asleep too soon,

C? G F F
The angels can wait for a moment

C G F C
Stay with me don t fall asleep too soon,

C? G F F
The angels can wait for a moment

VERSE 2

I wanna see your face
Every time I come home cos
I can t leave u like this
In this cold world alone,
But, in this life we live in,
Who knows when I ll be gone,
I don t wanna leave you
With what if s?, now I m in for
Long (To the world)
There s too much to prove,
And Sometimes I wonder what I
Really have to lose, and then
I really see it s not all
About me, I wanna shield you from
This harsh, mad reality, it s real.

CHORUS.

(Like, life s risky somemtimes,
But really, u gotta take your chances)

Stay with me, don t fall asleep

Too soon the angels can wait

For a moment(It s crazy look)

Stay with me don t fall asleep

Too soon, the angels can wait

For a moment.

(Listen to the words)

Verse 2

To the world,
Life s a game and we need to

Play it correct, do the
Right moves and don t get caught
Up in loadsa mess,
Be calm, don t be stressed,
Be sure to pass the test,
Stand your ground an don t let
Others put you to the test
(Repeat)

CHORUS.

Stay with me, don t fall asleep
Too soon the angels can wait
For a moment
