versel:

**D**                          **A**  
oh thinkin about our younger years,  
          **C**                          **Em**  
there was only you and me,  
          **Am**                          **A**  
we were young and wild and free,  
**D**  **A**  
now nothing can take you away from me,  
          **C**                          **Em**  
weve been down that road before,  
          **A**  
but thats over now,  
          **C**                          **A**  
you keep me comming back for more,

Chorus:

**F**                                  **C**  
baby your all that i want,  
          **G**                          **F**  
when your lying here in my arms,  
          **F**                          **C**  
im finding it hard to believe,  
          **G**  
were in heaven,  
          **F**                          **C**  
your lovin is all that i need,  
          **G**                          **F**  
when im finally there in your heart,  
          **F**                          **C**  
it isnt too hard to see,  
          **G**  
were in heaven

Verse 2: same as first

oh this is a life to find someone  
who walks in when (sth i coulnt catch)  
pick you up when u re feeling down  
now nothing can change what you mean to me,  
theres a love that i could say  
but just hold me now,  
cos our love will light the way

chorus

Mid-section:

**Am**                                  **C**

i ve been waiting for so long

**D**

**Am**

for something to arrive

**Am**

then you came along

(same)

now our dreams are comming true,  
through the good times and the bad,  
ill be standing there by you,

chorus
