

Waves

DJ Satomi

Since this song was never performed acoustically, I did the best I could :)
Enjoy!

Capo 3 (you can adjust the capo depending on what pitch you sing it in)

Intro

Am C G Em x2

Am

Like a rush on the beach

C

At the end of the day

G

Am

When the sand is going to be cold under your way

C

The season fades

G

Em

And you think everything's lost in the waves

Am

Like a spark in your eyes

C

So your love will be mine

G

When the sky is going to light and shine

Am

C

You take my hands

G

Em

And I think that time will give me one more chance

Am

Do you remember

C

A kiss under the moonlight

G

When it was summer

E

It was love at first sight

Am

Can you remember

C

Cause I feel the same now

G

Until the winter

E

Will see blooming this love

[Repeat intro]

[Chords are the same for the rest of the song]

Like a dive in the waves
I am caught in you love
And I m flying in the clouds above
I feel you near
And I fear no more the winter cause you re here

Do you remember
A kiss under the moonlight
When it was summer
It was love at first sight
Can you remember
Cause I feel the same now
Until the winter
Will see blooming this love
