

You Made It
Dj Shadow

Hey everyone,

I figured this out from listening to the song. Hopefully you guys like it. I m pretty this is close to, if not already, 100% correct. You can understand the tab better if are listening to the song at the same time.

Tuning: e,B,G,D,A,E (Standard)

From the album The Outsider

Enjoy!

E]-----]

Like I said, you can play that through the whole song.

with many artists that work in Rock, Rap, R&B, Electronica, and so on. So, if you are James on another song). Check out the band Stateless for more songs like this. To me, is like a fusion of Coldplay and Switchfoot. It is pretty sweet.

This is a great song and I hope this tab helps!

Peace,
