Alright, Alright

Musical riff:

Verse #2

Dont show me what youre friends are wearing
I really dont want to see

Dont tell me what youre friends are buying
Cause money doesnt grow on trees

Tell me of the things that excite you
And make you tremble with delight

Tell me where to hold and to touch you
So you got to tell me Im alright

Alright, Alright

Musical riff:

Verse #3

Jewels are things I cant buy you, girl

Or drive you in a GT car

If youre hungry, girl, I cant feed you

For my money, girl, you wont get far

Ive got so many patches on my clothes, girl

A hole in the bottom of my shoe
Financially Im a pauper
But when it comes to loving Im alright
Alright, alright

Enjoy and mash it up!
