Dobré - Going Under (Capo 2)
_____
                            Piano:
Intro: G G G-A B C G G
                            e ------
                            B --10--8--3--7--8--3--3----|
                            G -----
В
                            Α -----|
Last couple of years
i ve been spinnin around
                              G
without any idea what i m spinnin about
          C
                 G
                     Α
but i gotta keep on, oo-n.
although i know,
yes i know!
Chorus 1:
we re going under, under
         C
each day a little more, little more
lightning and thunder, thunder
    C
Em
  knocking at the door, at the door
G G G-A B C G G
they say,
this thing is gonna end!
and leave us all with empty hands...
so please tell me, please tell me why i m still runnin ?
                C
you and me we both see it commin ...
```

```
G
let s come and say
     C
when this whole thing ends
         C
slips into slumber, slumber
Em C
                                 GG
 each day a little more, little more
Interlude:
I stop and wonder...
     C D G
Em
 how this happen after all?
          C
it s been commin ,
Em C D
 so what should we do?
do you think we could end this contest
take each other hands
      C D
and get back to the surface
let s quit this contest
Em C
 and get back to the surface
