

North Dakota Boy  
Doc Walker

Awesome song my Doc Walker... The pride and joy of Winnipeg!

**A** **D** **A**  
I say how could this be  
**A** **D**  
I left her back in Tennessee  
**A** **D**  
And there s a thousand miles between  
**A** **D** **A**  
And I m goin outta my head  
**A** **D**  
But I can t take back the words I said  
**A** **D** **A**  
Just to fill her empty bed  
**D**  
Said you can drag me back to Nashville  
**E** **A** **D**  
But you ll drag me back to Nashville dead

She wanted nothin more in her life  
Than to see her name in lights  
So I came along for the ride  
But there was just no end  
Smokey bars and unpaid rent  
Day job blues held by a thread  
Oh you can drag me back to Nashville  
But you ll drag me back to Nashville dead

Chorus:

**F#m**  
North Dakota boy in Tennessee  
**D** **A** **E**  
That singin town it got the best of me, oh ya  
**F#m**  
Well I lost my love to the dream  
**D** **E**  
Lookin back I lost a part of me, and so I said  
**D**  
You can drag me back to Nashville  
**E** **A** **D** **A**  
But you ll drag me back ot Nashville dead

Instrumental Break
