Grassman - Dodgy
transcribed by Stefano (barleycorn@infinito.it)

to be honest I found a version of the song in a Dodgy website,
and used it to fill in the missing parts of my transcription...

```

| A G#m7   |  F#   |
| C#m G#/C#  | B F# |
| A G#m7   |  F#   |
```

```
    C#m                      G#/C#
My darling I would not die
B                 F#
I would kill for you
A              G#m             F#
Let me choose the man who is the sacrifice.

B               F#
Make me forget my pain
 A              G#m             F#
Scratch my back and pull my hair, make me forget my name.
```
