Oh in the morning I awoke

And through the seasons I have journeyed
/ / / **Bm** / / / /
Without a clue to where I m bound
/ / / **F#m** / **C#m** **Bm** **F#m**
I lost my bearings long ago
/ / / **C#m** / /
I watched our heroes come and go

And since then I ve heard no sound

(Repeat as Verse 1)

My belly yearns for food and drink
But my heart it yearns as always
Those pills you gave me for the pain
Made my mind never feel the same
Oh no, oh no I won't see my home again
The vultures swoop above my love
The wisdom palace steeple shines
My battered longing for the truth
Keeps me clinging to my youth
And what was truly mine!

CHORUS

A
So let me go far
F#m
So let me go fa-----r
G **D**
And when i reach there let me know (when i reach)
G **D**
Cos I ll keep on walking till (keep on walking)
G **D** **F#m**
You ve got to , got to let me kno-----w.
