

A Non Love Song From Nashville
Dodie Clark

Intro: A F#m

A F#m

Back, back

D A Bm B

It s time to go back to you know where

D Dm

But was it fun

A

In the sun where you were

A F#m

Stop, no

A G# Bm

No, you re not allowed to think that

F# D

Unwire the good

E

Don t imagine what could have been

A Dm A B A

What a nice little holiday

F#m D E F D A

Just a memory, now

F#m

You fool

A G#

How dare you trust fate! She s not that kind

A

You stepped off the edge

Bm E

But you didn t check where you d fall

Dm F#m A Fm

And now look at what you ve done

D E F D F#m A F#m A D

Just a memory, now

Shut it down

F

Get it into your brain

E

This will all just end in flames

F# E

Where s that self control that you preach?

And now look at what we ve done

D E F D F#m A F#m A D

Just a memory, now
