Oh, I m so human

Maybe I m a psycho just like you said I was

You got me right but baby its not my fault

Oh and I know and I know that I ve been acting so strange

But you should know that you re the one who made me this way

I m a psycho just like you said i d be

Not gonna fight the way I am naturally

Oh and I know and I know that I ve been acting so strange

But you should know that you re the one who made me this way

Psycho
Psycho
                            Gb
I feel like all of this has aged me
Right on the edge of twenty two
                                Gb
You look like you ve just seen a monster
Is that what I look like to you
                 G
                                           Gb
Oh won t somebody hold me and tell me it ll all work out
Say there is nothing to worry about now
Cos I m so sick of the drama and I hate to shout
But you drag it out of me
                   G
                                                Gb
But I could be your crush, like, throw you for a rush, like
Hoping you d text me so I could tell you
I been thinking bout your touch like
Touch, touch, touch, touch
I could be your crush, crush, crush, crush, crush
I got a fascination with your presentation
Making me feel like you re on my island
You re my permanent vacation
Touch, touch, touch, touch
I could be your crush, crush, crush, crush, crush
```

Mmmmmm
