

Human

Dodie Clark

G **C** **G**
I wanna pick you up and scoop you out
C **G**

I want the secrets your secrets haven't found
Em

Paint me in trust
I'll be your best friend
Call me the one
This night just can't end

G **C** **G**
Will you share your soul with me?
C **G**

Unzip your skin and let me have a see

Em
Paint me in trust
I'll be your best friend
Call me the one
This night just can't end
(Ohoh)

A# A#m C G
Oh, I'm so human
A# A#m C G
We're just human

G **C** **G**
Lean for me, and I'll fall back
C **G**
You'll fit so nicely, you'll keep me intact

Em
Paint me in trust
I'll be your best friend
Call me the one
This night just can't end

G
I want to give you your grin
So tell me you can't bear a room that I'm not in

Em
Paint me in trust
I'll be your best friend
Call me the one
This night just can't end

A# A#m C G
Oh, I'm so human
A# A#m C G
We're just human
