What a strange being you are,
God knows where I d be
If you hadn t found me,
sitting all alone in the dark

A dumb screenshot of youth
Watch how a cold broken teen
Will desperately lean upon a superglued human of proof

What the hell would I be,
without you
Brave face talk so lightly,
hide the truth

Now I m sick of losing soulmates,
so where do we begin
I can finally see, you re as fucked up as me
So how do we win?

I m sick of losing soulmates,
won t be alone again
I can finally see, you re a s fucked up as me

So how do we win?

We will grow old as friends,
 I ve promised that before
 So what s one more?
 In our grey-haired circle, waiting for the end

Time and hearts wear us thin
 So which path will you take,
 cause we both know a break
 Does exactly what it says on the tin
