

**Cant Leave You**  
**Doe Paoro**

I don t claim that these are accurate or complete, but they re a start. I m sure that once she gets bigger, better musicians will post more accurate chords. good luck figuring the rest out!

notes for intro (not chords):

C in bass & violin G down to E

B in bass & violin G down to E

F, A, B, C in bass & violin E up to G, down to F, down to E, up to F, up to C

versel:

[C in bass & violin plucking E up to C]

reason is kept at bay.

[B in bass & violin plucking D up to B]

i ll believe anything you say.

hope keeps pressing on.

the problem is my memory. (violins E 3x)

i recall loves a reverie.

when a siren s song

instrumental:

notes, not chords: F down to E, down to D, down to C

then repeat and harmonize with F down to C, up to Ab, up to A

[then repeat that for the next three lines of lyrics]

and despite all the pain

i can t leave you yet

i m all twisted up in your viciousness

[chords: **B**, **F#m**, **E**, **Em** x3]

won t you set me free-ee-eee-ee?

have mercy on mee-eee-eee-ee?

i ve lost all agency-yy-yyy-yy-y.

[**G#m-Ebm**]

see i m addicted to you

need you like air i m sick of you

stronger in turn

for this chorus, chords change for the first three lines:

[**B**, **F#**, **Ebm**, **E**]

and despite all the pain

i can t leave you yet

all twisted up in your viciousness

[**B**, **F#m**, **E**, **Em**]

won t you set me free-ee-eee-ee?

have mercy on mee-eee-eee-ee?

i ve lost all agency-yy-yyy-yy-y.

[G#m - Ebm x3]

i ve already waited on you way too long.

i ve already waited on you way too long.

i ve already waited on you way too long.

i-i need you like air.

i m sick of you.

i m sick of you.

ain t got nothing i m sick of you
