Broken Arms Does It Offend You, Yeah? Verse 1: С F We ve had this grudge forever and ever G F Alone refused forget to discover, the clamor С F And all the pieces fell from each other, together G F Seems strange is turning the weather, and whatever Chorus: C G Dm \mathbf{F} Broken arms and twisted ligaments Dm С \mathbf{F} G To the great beyond the big magnificence Dm C \mathbf{F} G The rain falls down and all that s left of her Dm C F The seasons change but still I remember Verse 2 (same as Verse 1): All my failures ties together, and tethered I ll freeze you out till your show stops flailing, and starts falling Prove the faithful die with each other, together Still strange is turning the weather, and whatever Chorus 2: Broken arms and twisted ligaments To the great beyond the big magnificence The grateful dead is all that s left of her The seasons change but still I remember her Bridge: C - G - F (I m not sure if this is the correct way)

P.S.: I hope this is good, this is pretty much my first tab :)
