DogEatDog-Rocky

for acoustic guitar the song is:

[Am]You re just like the [C]kid next door
[G]Still too young and [E]immature
[Am]You always seem[C] to hang around[G]
When you re not wanted you re always found

[Am]Why do you embarrass me
[C]So everyone can see
[G]Us duke it out on live TV[E]

Hey [Am]Rocky I [C]hate to say
[G]I wish you would just go [E]away
[Am]Don t come back [C]another day [G]OK

What did you come here for
Don t wanna be insecure
It s about time that you went home
So go away leave me alone
